

Gibson City Bible Church

Gibson City, Illinois

Owner: Gibson City Bible Church
Construction Cost: \$2,000,000
Square Footage: GSF
Year Completed: 2003

Gibson City Bible Church needed a new facility that could grow. AR&D provided an expandable structure with a pre-engineered multi-purpose space for worship service and youth organized events. The future phases of the project will consist of a formal sanctuary, and expanded nursery and classroom facilities.
