

Proctor First Care

Peoria, Illinois

Owner: Proctor Hospital
Construction Cost: \$1,500,000
Square Footage: 5,000 GSF
Year Completed: 1997

AR&D was given the opportunity by Proctor Hospital to create satellite facilities throughout Central Illinois. These facilities were designed to give the surrounding communities access to doctors and treatments right outside their own back door. A residential theme was designed to compliment each community with an overall consistent look for association with Proctor Hospital.
